

CLIENT EVENTS

If you are thinking of producing an event, but don't have the in-house resources or database of contacts, *Place North East* can help.

- *Place* has 15 years of experience delivering fantastic events for influential professionals in the property industry
- Access to the most senior speakers
- Dedicated event manager and the full *Place North East* team in support to ensure a successful and well-organised event
- Raise your business's profile and align your brand with sectors where you want to be known
- Multi-platform promotion of your brand, online and offline, via social media and website, branding at the event and much more
- Events that people love to attend with food and drink in great locations

"Our experience of working with *Place* was excellent. They worked hard with us to deliver a high quality event which we simply would not have been able to do on our own. They brought their regional knowledge and contacts, securing fantastic speakers for us. All of the *Place* team were extremely professional and exceeded our expectations in terms of delivery. We would not hesitate to work with them again in the future."
